

Meet Your Physician Assistant

"I am a very positive person and greet all patients with a smile and a handshake. I strive to make my patients feel as comfortable as possible and hopefully, by the time they leave my office, they are more knowledgeable about their skin condition."

Gina Bird, MPAS, PA-C

Why I chose Health Care

"While I was an active duty hospital corpsman in the United States Navy, I worked with many wonderful, caring medical providers, and I just knew that I wanted to help people the way they did. I truly enjoy educating and taking care of patients."

Masters

Department of Dermatology

Ms Bird's specialized education provides a solid foundation from which to address the many aspects of dermatology practice, including performing physical exams, diagnosing diverse skin conditions and developing treatment plans, providing health counseling, prescribing medications, and assisting in surgery. Gina also has suture training and performs biopsies and simple and complex excisions.

Ms. Bird married her high school sweetheart, Jeremy, and they have 2 beautiful daughters. In her free time, she enjoys spending time with her family and friends, watching sporting events and being outdoors.
